

Specification

Technical Data Sheet

Product Name	Hydrogen Chloride 6M in IPA
---------------------	-----------------------------

Product No	90026637
-------------------	----------

CAS Number	7647-01-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	36.46
-------------------------	-------

Specification

Appearance	Clear, Colourless to Pale Yellow Solution
-------------------	-------------------------------------------

Assay (Titration)	5.0-7.0M
--------------------------	----------
