

Specification

Technical Data Sheet

Product Name	Silver(I) oxide 99+%
---------------------	----------------------

Product No	90026686
-------------------	----------

CAS Number	20667-12-3
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	231.74
-------------------------	--------

Specification

Loss on Drying	<0.25%
-----------------------	--------

Assay	>99.7%
--------------	--------

Free Alkali	<0.012%
--------------------	---------

Nitrate	<0.005%
----------------	---------

Nitric acid insolubles	<0.02%
-------------------------------	--------
