

Specification

Technical Data Sheet

Product Name	Calcium hydride
---------------------	-----------------

Product No	90026745
-------------------	----------

CAS Number	7789-78-8
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	42.09
-------------------------	-------

Specification

Appearance	Light grey powder
-------------------	-------------------

Identification	Conforms to reference
-----------------------	-----------------------
