

# Specification

## Technical Data Sheet

<b>Product Name</b>	4,5-Dichloro-2-octyl-isothiazolone
---------------------	------------------------------------

<b>Product No</b>	90026830
-------------------	----------

<b>CAS Number</b>	64359-81-5
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	282.22
-------------------------	--------

### Specification

<b>Appearance</b>	White/ off white crystalline powder
-------------------	-------------------------------------

<b>Purity</b>	≥ 97.0%
---------------	---------
