

Specification

Technical Data Sheet

Product Name	7-Diethylamino-4-methylcoumarin
---------------------	---------------------------------

Product No	90026882
-------------------	----------

CAS Number	91-44-1
-------------------	---------

Molecular Weight	231.29
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------

Ash	≤0.30%
------------	--------

Melting Point	69.0-71.0
----------------------	-----------

Assay	≥ 98.0%
--------------	---------

Solubility	Soluble at 5g/100g in Methanol
-------------------	--------------------------------
