

# Specification

## Technical Data Sheet

<b>Product Name</b>	Ammonium pentaborate tetrahydrate
---------------------	-----------------------------------

<b>Product No</b>	90026888
-------------------	----------

<b>CAS Number</b>	12046-04-7
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	272.15
-------------------------	--------

### Specification

<b>Appearance</b>	White powder
-------------------	--------------
