

Specification

Technical Data Sheet

Product Name	Brilliant Crocein (C.I. 27290)
---------------------	--------------------------------

Product No	90026906
-------------------	----------

CAS Number	5413-75-2
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	556.48
-------------------------	--------

Specification

Appearance	Red powder
-------------------	------------

Water	≤5.0%
--------------	-------

Strength	~100.0%
-----------------	---------
