

Specification

Technical Data Sheet

Product Name	Hydrogen chloride 2.5M in Ethanol
---------------------	-----------------------------------

Product No	90026910
-------------------	----------

CAS Number	7647-01-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	36.46
-------------------------	-------

Specification

Appearance	Clear, colourless to pale yellow solution
-------------------	---

Assay (Titration)	2.30 - 2.70M
--------------------------	--------------
