

Specification

Technical Data Sheet

Product Name	Pentylmagnesium bromide 2M in Diethyl ether
---------------------	---

Product No	90026953
-------------------	----------

CAS Number	693-25-4
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	175.35
-------------------------	--------

Specification

Appearance	Yellow to brown to black liquid
-------------------	---------------------------------

Assay	1.90-2.20M
--------------	------------
