

# Specification

## Technical Data Sheet

<b>Product Name</b>	Boron tribromide 1M in Dichloromethane
---------------------	--

<b>Product No</b>	90026956
-------------------	----------

<b>CAS Number</b>	10294-33-4
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	250.52
-------------------------	--------

### Specification

<b>Appearance</b>	Clear colourless to brown liquid
-------------------	----------------------------------

<b>Assay</b>	0.95-1.10M
--------------	------------
