

Specification

Technical Data Sheet

Product Name	Reactive Red 198
---------------------	------------------

Product No	90026962
-------------------	----------

CAS Number	145017-98-7
-------------------	-------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	968.21
-------------------------	--------

Specification

Appearance	Red/ dark red powder
-------------------	----------------------
