

Specification

Technical Data Sheet

Product Name	Ammonia 2M in Methanol
---------------------	------------------------

Product No	90026986
-------------------	----------

CAS Number	7664-41-7
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	17.03
-------------------------	-------

Specification

Appearance	Clear colourless Liquid
-------------------	-------------------------

Assay (Titration)	1.90-2.20M
--------------------------	------------
