

Specification

Technical Data Sheet

Product Name	DL-Pantolactone
---------------------	-----------------

Product No	90026997
-------------------	----------

CAS Number	79-50-5
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	130.14
-------------------------	--------

Specification

Appearance	Light yellow solid
-------------------	--------------------

Melting Point	74 - 78°C
----------------------	-----------

Assay	≥96%
--------------	------
