

Specification

Technical Data Sheet

Product Name	Calcium alpha-ketovaline
---------------------	--------------------------

Product No	90027012
-------------------	----------

CAS Number	51828-94-5
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	270.3
-------------------------	-------

Specification

Appearance	White solid
-------------------	-------------

Assay	≥97.0%
--------------	--------
