

Specification

Technical Data Sheet

Product Name	Methylamine 2M in Methanol
---------------------	----------------------------

Product No	90027018
-------------------	----------

CAS Number	74-89-5
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	31.06
-------------------------	-------

Specification

Appearance	Clear colourless solution
-------------------	---------------------------

Molarity (Titration)	1.90 - 2.20 M
-----------------------------	---------------
