

Specification

Technical Data Sheet

Product Name	Urea 40% solution
---------------------	-------------------

Product No	90027044
-------------------	----------

CAS Number	57-13-6
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	60.06
-------------------------	-------

Specification

Appearance	Liquid
-------------------	--------

Concentration	40%
----------------------	-----

Infrared Spectrum	Conforms to structure
--------------------------	-----------------------

Structure (NMR)	Conforms to structure
------------------------	-----------------------
