

Specification

Technical Data Sheet

Product Name	Pentafluorophenylmagnesium bromide 0.5m in Diethyl ether
---------------------	--

Product No	90027060
-------------------	----------

CAS Number	879-05-0
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	271.27
-------------------------	--------

Specification

Appearance	Dark brown/ grey/ black liquid
-------------------	--------------------------------

Assay (Titration)	0.4-0.6M
--------------------------	----------
