

# Specification

## Technical Data Sheet

|                                       |  |
|---------------------------------------|--|
| <b>Product Name</b>                   | Didecylmethylpoly(oxethyl) ammonium propionate |
| <b>Product No</b>                     | 90027067                                       |
| <b>CAS Number</b>                     | 94667-33-1                                     |
| <b>Storage Temperature</b>            | 2 to 8 °C                                      |
| <b>Molecular Weight</b>               | 454 (average)                                  |
|                                       | <b>Specification</b>                           |
| <b>Appearance</b>                     | Clear liquid                                   |
| <b>Colour (APHA)</b>                  | ≤200   |
| <b>pH(1%water)</b>                    | 6-7.5  |
| <b>Quaternary (Titration, MW 454)</b> | 69 - 73%                                       |
| <b>Water Content (KF)</b>             | ≤5%  |
