

Specification

Technical Data Sheet

Product Name	Hydroxychloroquine sulfate
---------------------	----------------------------

Product No	90027084
-------------------	----------

CAS Number	747-36-4
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	434.0
-------------------------	-------

Specification

Appearance	White powder
-------------------	--------------

Identification	Conforms to reference
-----------------------	-----------------------

Purity	99.0% min
---------------	-----------
