

Specification

Technical Data Sheet

Product Name	Leucomalachite Green
---------------------	----------------------

Product No	90027147
-------------------	----------

CAS Number	129-73-7
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	330.47
-------------------------	--------

Specification

Appearance	White or light blue solid
-------------------	---------------------------

Assay/Purity	≥97%
---------------------	------

Conclusion	Conforms to standard
-------------------	----------------------

Structural analysis	Conforms (1HRNMR)
----------------------------	-------------------
