

# Specification

## Technical Data Sheet

<b>Product Name</b>	Ammonia 7M in Methanol
---------------------	------------------------

<b>Product No</b>	90027183
-------------------	----------

<b>CAS Number</b>	7664-41-7
-------------------	-----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	17.03
-------------------------	-------

### Specification

<b>Appearance</b>	Clear, colourless to pale yellow solution
-------------------	---

<b>Assay</b>	6.50-7.50M
--------------	------------

<b>Water Content</b>	≤ 0.5%
----------------------	--------

<b>Manufacture date</b>	DD/MM/YYYY
-------------------------	------------
