

Specification

Technical Data Sheet

Product Name	Phenylmagnesium bromide 1M in THF
---------------------	-----------------------------------

Product No	90027186
-------------------	----------

CAS Number	100-58-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	181.31
-------------------------	--------

Specification

Appearance	Brown to dark grey turbid solution
-------------------	------------------------------------

Assay	0.90-1.10M
--------------	------------
