**PRODUCT****Methylamine 2M in Tetrahydrofuran**

|                          |                                 |
|--------------------------|---------------------------------|
| <b>Product number</b>    | 90027255                        |
| <b>CAS number</b>        | 74-89-5                         |
| <b>Molecular formula</b> | CH <sub>3</sub> NH <sub>2</sub> |
| <b>Molecular weight</b>  | 31.06 g/mol                     |

| PARAMETER         | SPECIFICATION     |
|-------------------|-------------------|
| <b>Appearance</b> | Colourless liquid |
| <b>Assay</b>      | 1.90-2.15M        |

|                                |                                                                                                                                                                                                                   |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>SPECIFICATION STATEMENT</b> | The values stated above represent the standard specification for this product, issued under <b>Molekula Ltd</b> 's quality management system. Batch-specific results are provided on the Certificate of Analysis. |
| <b>STORAGE</b>                 | Store as indicated on the product label, away from light, moisture and incompatible materials.                                                                                                                    |

**Molekula Ltd** would like to thank you for your support of our products and service.
