

Specification

Technical Data Sheet

Product Name	4-Bromoanisole
---------------------	----------------

Product No	90027337
-------------------	----------

CAS Number	104-92-7
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	187.04
-------------------------	--------

Specification

Appearance	Clear colorless to very pale yellow liquid
-------------------	--

Identification	FTIR conforms
-----------------------	---------------

Refractive Index	1.5641 @20°C
-------------------------	--------------

Assay (GC)	≥98.5%
-------------------	--------
