

Specification

Technical Data Sheet

Product Name	Dichloromethane
---------------------	-----------------

Product No	90027338
-------------------	----------

CAS Number	75-09-2
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	84.93
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Refractive Index	1.4225-1.4265 @ 20°C
-------------------------	----------------------

Assay (GC)	≥ 99.0%
-------------------	---------

Water Content (KF)	<250ppm
---------------------------	---------
