

# Specification

## Technical Data Sheet

<b>Product Name</b>	Ammonia 8% (4.7M) in Ethanol
---------------------	------------------------------

<b>Product No</b>	90027387
-------------------	----------

<b>CAS Number</b>	7664-41-7
-------------------	-----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	17.03
-------------------------	-------

### Specification

<b>Appearance</b>	Clear, Colourless liquid
-------------------	--------------------------
