

Specification

Technical Data Sheet

Product Name	Diphenyl ether
---------------------	----------------

Product No	90027410
-------------------	----------

CAS Number	101-84-8
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	170.21
-------------------------	--------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Identification (IR)	Conforms to Reference
----------------------------	-----------------------
