

Specification

Technical Data Sheet

Product Name	Ethyl thiophene-2-glyoxylate
---------------------	------------------------------

Product No	90027470
-------------------	----------

CAS Number	4075-58-5
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	184.21
-------------------------	--------

Specification

Appearance	Dark yellow liquid
-------------------	--------------------

Assay	97%
--------------	-----
