

Specification

Technical Data Sheet

Product Name	Hydrogen Chloride 2M in Ethyl acetate
---------------------	---------------------------------------

Product No	90027521
-------------------	----------

CAS Number	7647-01-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	36.46
-------------------------	-------

Specification

Appearance	Clear Colourless Liquid
-------------------	-------------------------

Assay (Titration)	1.95 - 2.10M
--------------------------	--------------
