

Specification

Technical Data Sheet

Product Name	Zinc Bis(2-ethylhexanoate)
---------------------	----------------------------

Product No	90027721
-------------------	----------

CAS Number	136-53-8
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	351.79
-------------------------	--------

Specification

Appearance	Clear, colourless liquid
-------------------	--------------------------

Identification	IR: Conforms to reference
-----------------------	---------------------------
