

Specification

Technical Data Sheet

Product Name	Dimethylamine 40% w/w Aqueous Solution
---------------------	--

Product No	90027746
-------------------	----------

CAS Number	124-40-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	45.08
-------------------------	-------

Specification

Appearance	Clear, colourless to yellow solution
-------------------	--------------------------------------

Assay	38-42%
--------------	--------

Date of Manufacturing	dd/mm/yyyy
------------------------------	------------
