

Specification

Technical Data Sheet

Product Name	Hydrochloric Acid 0.1N Standardised Solution
---------------------	--

Product No	90027749
-------------------	----------

CAS Number	7647-01-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	36.46
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Assay	0.1000N +/- 0.0005N
--------------	---------------------
