

# Specification

## Technical Data Sheet

<b>Product Name</b>	Ninhydrin reagent, 2% solution
---------------------	--------------------------------

<b>Product No</b>	90027851
-------------------	----------

<b>CAS Number</b>	485-47-2
-------------------	----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	178.14
-------------------------	--------

### Specification

<b>Appearance</b>	Dark purple liquid
-------------------	--------------------

<b>Assay (Mass Balance)</b>	1.9-2.1 % (w/v)
-----------------------------	-----------------
