

Specification

Technical Data Sheet

Product Name	D-(+)-Carvone
---------------------	---------------

Product No	90028022
-------------------	----------

CAS Number	2244-16-8
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	150.22
-------------------------	--------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Identification	Conforms to reference
-----------------------	-----------------------
