

Specification

Technical Data Sheet

Product Name	Naphthol Yellow S
---------------------	-------------------

Product No	90028072
-------------------	----------

CAS Number	846-70-8
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	358.19
-------------------------	--------

Specification

Appearance	Yellow orange powder
-------------------	----------------------
