

# Specification

## Technical Data Sheet

<b>Product Name</b>	Sodium sulphite solution (15%)
---------------------	--------------------------------

<b>Product No</b>	90028094
-------------------	----------

<b>CAS Number</b>	7757-83-7
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	126.04
-------------------------	--------

### Specification

<b>Appearance</b>	Liquid
-------------------	--------
