

Specification

Technical Data Sheet

Product Name	Potassium dihydrogen citrate
---------------------	------------------------------

Product No	90028099
-------------------	----------

CAS Number	866-83-1
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	230.21
-------------------------	--------

Specification

Appearance	White solid
-------------------	-------------

Identification	Conforms to reference
-----------------------	-----------------------
