

Specification

Technical Data Sheet

Product Name	R)-4-Benzylthiazolidine-2-thione
---------------------	----------------------------------

Product No	90028106
-------------------	----------

CAS Number	110199-17-2
-------------------	-------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	209.33
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------
