

Specification

Technical Data Sheet

Product Name	Brimonidine
---------------------	-------------

Product No	90028139
-------------------	----------

CAS Number	59803-98-4
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	292.13
-------------------------	--------

Specification

Appearance	Yellow powder
-------------------	---------------

Identification	Conforms to reference
-----------------------	-----------------------

Single Impurity	$\leq 0.5\%$
------------------------	--------------

Purity	$\geq 99.0\%$
---------------	---------------
