

Specification

Technical Data Sheet

Product Name	2-Ethylbutyryl chloride, 99%
---------------------	------------------------------

Product No	90028332
-------------------	----------

CAS Number	2736-40-5
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	134.60
-------------------------	--------

Specification

Appearance	Clear colourless to pale yellow liquid
-------------------	--

Refractive Index	1.4230 - 1.4250 @ 20°C
-------------------------	------------------------

Assay	≥ 98.5%
--------------	---------
