

# Specification

## Technical Data Sheet

<b>Product Name</b>	Sodium ethyl xanthate
---------------------	-----------------------

<b>Product No</b>	90028366
-------------------	----------

<b>CAS Number</b>	140-90-9
-------------------	----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	144.19
-------------------------	--------

### Specification

<b>Appearance</b>	Yellow to green pellets
-------------------	-------------------------

<b>Free Alkali</b>	≤0.2%
--------------------	-------

<b>Moisture</b>	≤4.0%
-----------------	-------

<b>Purity</b>	≥90.0%
---------------	--------
