

Specification

Technical Data Sheet

Product Name	1-Propenyl Bromide
---------------------	--------------------

Product No	90028427
-------------------	----------

CAS Number	590-14-7
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	120.98
-------------------------	--------

Specification

Appearance	Colourless to yellow liquid
-------------------	-----------------------------

Assay/Purity	≥ 97.5%
---------------------	---------
