

Specification

Technical Data Sheet

Product Name	Lithium ethoxide 1M solution in ethanol
---------------------	---

Product No	90028447
-------------------	----------

CAS Number	2388-07-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	52.00
-------------------------	-------

Specification

Appearance	Colourless to orange liquid
-------------------	-----------------------------

Assay	0.90 to 1.10 M
--------------	----------------

Notes	May develop some turbidity
--------------	----------------------------
