

Specification

Technical Data Sheet

Product Name	Tolyl diiodomethyl sulfone
---------------------	----------------------------

Product No	90028450
-------------------	----------

CAS Number	20018-09-1
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	422.02
-------------------------	--------

Specification

Appearance	Tan/Yellow powder
-------------------	-------------------

Purity	>95%
---------------	------
