

Specification

Technical Data Sheet

Product Name	3-Iodo-2-propynyl-N-butylcarbamate
---------------------	------------------------------------

Product No	90028453
-------------------	----------

CAS Number	55406-53-6
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	281.09
-------------------------	--------

Specification

Appearance	White/ light yellow powder
-------------------	----------------------------

Melting Point	65 - 68 Deg C
----------------------	---------------

HPLC	99% min
-------------	---------

Moisture	0.2% max
-----------------	----------
