

Specification

Technical Data Sheet

Product Name	2-Chloro-4-methoxy-benzoic acid methyl ester
---------------------	--

Product No	90028578
-------------------	----------

CAS Number	104253-45-4
-------------------	-------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	200.62
-------------------------	--------

Specification

Appearance	Colourless to yellow liquid
-------------------	-----------------------------

Assay/Purity	98% min
---------------------	---------
