

Specification

Technical Data Sheet

Product Name	Sirius Red Powder C.I. 35780
---------------------	------------------------------

Product No	90028587
-------------------	----------

CAS Number	2610-10-8
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	1373.05
-------------------------	---------

Specification

Appearance	Red to purple to dark brown powder
-------------------	------------------------------------

Dye Content	20-25%
--------------------	--------

Lambda max	528nm
-------------------	-------
