

Specification

Technical Data Sheet

Product Name	2-Amino-2-methyl-1-propanol
---------------------	-----------------------------

Product No	90028591
-------------------	----------

CAS Number	124-68-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	89.14
-------------------------	-------

Specification

Appearance	Colourless transparent liquid
-------------------	-------------------------------

Identification	Conforms to reference
-----------------------	-----------------------

Water	4.8-5.8 (WT%)
--------------	---------------

APHA colour, neat	≤20
--------------------------	-----

Neutral equivalent	93-97
---------------------------	-------
