

Specification

Technical Data Sheet

Product Name	S)-(-)-4-Benzyl-2-oxazolidinone
---------------------	---------------------------------

Product No	90028612
-------------------	----------

CAS Number	90719-32-7
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	177.20
-------------------------	--------

Specification

Appearance	Off white/ beige crystalline powder
-------------------	-------------------------------------
