

# Specification

## Technical Data Sheet

<b>Product Name</b>	Hydrogen bromide in acetic acid (30-34%)
---------------------	--

<b>Product No</b>	90028669
-------------------	----------

<b>CAS Number</b>	37348-16-6
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	80.91
-------------------------	-------

### Specification

<b>Appearance</b>	Light to Dark Yellow fuming Liquid
-------------------	------------------------------------

<b>Water Content (KF)</b>	0-0.2% wt
---------------------------	-----------

<b>Assay (argentometric titration)</b>	31.0-34.0%wt (as Br)
--	----------------------
